RCS Foodservice

POSSIBLE MENU CHANGES

Supply chain disruptions have caused some changes in our school lunches. The supply shortage impacts our menus and some of the favorites may not be available. We do our very best to follow the menu but at times that is not possible.

Rest assured each student will receive a full meal with all the required components each and every day.

Community Eligibility Provision SY 20/21

RCS is pleased to continue to participate in the Community Eligibility Provision (CEP) for SY 20/21. All RCS schools participate in the CEP allowing us to provide healthy breakfasts and lunches to students each day at NO CHARGE to your household. No further action is required of you.

Breakfast in the Classroom offered every attendance day.

Breakfast in the classroom is a great way to start the day! Don't let a hungry stomach lead to a distracted mind!

We make breakfast a part of the school day with Breakfast in the Classroom! Breakfast helps students begin their day nourished and ready to learn.

Eating breakfast is associated with improved academic performance & attendance.
