BUILDING COMMUNITY. EDUCATING STUDENTS.

- Daily Substitute Teacher \$166 full day/\$83.00 half day
 - Consistency Incentives.
 - For every five consecutive days worked (when you are called on to substitute) earn a \$100 bonus. If we don't need you to substitute, you won't lose your consecutive days. May be earned up to four times per school year.
 - Example: You earn \$166/day. If you work five consecutive days, you will earn \$830 for subbing plus a \$100 bonus. You can do this up to four times.
 - After you have subbed for 25 school days in a school year, your daily rate will increase by \$5, and you will receive a one-time \$100 bonus. This increase does not apply to long-term assignments.
 - Example: Once you have worked a total of 25 school days in a year, you will earn a \$100 bonus and your daily rate increases from \$166/day to \$171 moving forward. You could earn up to \$4,650 in 25 days.
- Long-Term Assignment.
 - When a substitute teacher assumes full teacher responsibilities (planning, grading, family communications, participating in teacher and faculty meetings, etc.) for a teacher for five or more school days, typically in cases such as a leave of absence or other family leave, this substitute teacher will earn \$225/day.
- Permanent Substitute Teacher
 - \$180/day plus benefits. Permanent substitutes are not eligible for other incentives.
 - When a permanent substitute teacher assumes full teacher responsibilities (planning, grading, family communications, participating in teacher and faculty meetings, etc.) for a teacher for five or more school days, this substitute teacher will earn \$225/day plus benefits during the time the substitute is covering the extended teacher's absence. This situation would typically apply to coverage of teacher leaves of absences and when there is an unfilled teacher vacancy. When there is an unfilled teacher vacancy, the district will make every effort to fill the vacancy with a fully qualified teacher.
- Retired Teacher Substitute
 - \$170/day. Retired Teacher Substitutes are eligible for consistency incentives. After 25 school days in a year, the daily rate would increase to \$175.
